

National Visa for EU Blue Card

1. General Information

The EU Blue Card allows third-country nationals with a university degree to take up employment in Germany commensurate with their qualifications.

The EU Blue Card, like all longer-term residence permits, is issued exclusively by the relevant alien authority in Germany. At the German Embassy you apply for the national visa which is required in advance to enter German territory.

General information on the EU Blue Card is available from the Federal Office for Migration and Refugees website at www.bamf.de and from the portal for qualified professionals www.make-it-in-germany.com.

Please note that your visa application must be made in person and will be accepted only if all required documents are submitted according to our regulations.

To apply for a visa it is necessary to book an appointment via email (info@tallinn.diplo.de)

Each submitted document in original has to be accompanied by two copies. Documents in foreign languages have to be provided with a certified translation into German.

2. Fees

The fee for processing the visa application is € 75,00. This amount has to be paid in in cash. This is a processing fee. Thus, a refund in case of withdrawal of the application or up-on denial is not possible.

3. Process

For the case a positive decision is taken on your visa application the visa can only be handed over to you if an evidence for an existing travel medical insurance is provided. This insurance has to cover the time period from your entry to Germany until the beginning of your employment. This does not apply if an evidence of a travel medical insurance already has been provided.
